Dear Dr. McAllister:

We have received your check for \$2,500 (#28269). Thank you very much for your interest and support of the FASEB Summer Conference "Neuroimmunomodulation". With support such as yours, the meetings promise to be most successful.

Dr. Goetzl understands that these funds will not be used to reimburse expenses incurred by participants from the industrial sector. He wishes me to assure you that we will respect your wishes.

In regard to your request that one registration slot be reserved for a representative from your organization, Dr. Goetzl requests that the person please fill out the enclosed application forms and return them to the address on the forms.

Thank you very much for your support.

Sincerely,
